Descriptive Text

Located in the heart of one of Fort Worth's most desirable neighborhoods, this all-brick property currently features 2 bedrooms, 1 bath, 1,320 sqft with a full-sized 2-car garage. A second full bath could easily be added and/or a third bedroom, pushing the ARV up to \$600k. Property walks flat, no cracks inside or out. Original hardwood floors in good shape, cover 70% of the home. Properties in this neighborhood down the road from TCU don't come up for sale often.

INTERIOR FEATURES

Single-Story
